

VB-15

Bringing big movie and music sound to smaller rooms, the Icon V Series VB-15 bookshelf speaker offers the same advanced technology as the line's floorstanding models only it takes up less space and has more placement options.

The VB-15 employs a 5.25" fiber-composite woofer cone that is lightweight, yet powerful. Not only does this reliable low-frequency driver create improved tonal balance and imaging, it also generates amazing dynamics and deep bass.

Even more remarkable is the VB-15's all-new, patent-pending Tractrix® Horn-loaded tweeter with XT technology. This exclusive design equalizes the speed of sound waves from the horn and smoothes the dispersion pattern.

In order to maintain an even transition between drivers, the VB-15 employs a high-definition, precision-voiced crossover for tighter tolerance and higher accuracy—in other words, a “front and center” soundstage.

The VB-15's compact and stylish black cabinet with a furniture-grade wood veneer top cap is internally braced for tight, natural bass. The removable top grille opens up the rich, high tones, while the durable fixed grille at the bottom protects the woofer from damage.

- Patent-pending round XT Horn for improved directivity
- Aluminum dome tweeter for precise highs
- High-output woofer for amazing lows
- Magnetically shielded to avoid TV interference
- High-style, contemporary black cabinet fits any décor
- Fixed bottom grille protects woofer
- Easy to drive with typical A/V receiver

SPECIFICATIONS

frequency response	59Hz - 22kHz +/- 3dB
low frequency extension	52Hz
power handling	75 W continuous, 300 W peak
sensitivity	92.5dB
nominal impedance	8 ohms compatible
crossover frequency	2200Hz
drive components	Shielded two way system utilizing one 5.25" fiber-composite lightweight cone woofer and one 1" aluminum dome tweeter mounted in a 4.5" square 90°x90° XT Tractrix® Horn
enclosure material	MDF (medium density fiberboard)
enclosure type	Bass reflex via rear flared port
height	13.75" (34.9 cm)
width	7" (17.8 cm)
depth	8.75" (22.2 cm)
weight	10.75 lbs (4.9 kg)
finishes	Black vinyl with furniture-grade black wood veneer top cap
